

2:19 Team

CEO

Dave Baldwin

My role is to oversee the work of 2:19 Teach to Reach, in liaison with the Director of Operations, and especially to work with the Trustees and Charity Commission to ensure the organization continues to meet its charitable objectives.

Operations Director

Maura Baldwin

My role is to evaluate how the charity is operating. I manage the implementation of the charity guidelines and strategies, working with other members of the team to ensure everything runs smoothly and in accordance with our guidelines. I also provide a steer in maintaining and developing our vision through networking and researching best practice and keeping in touch with our donors and supporters.

ESL Lead Specialist

Marina Swainston-Harrison

In my role I am responsible for supporting, advising and helping to set-up English classes/iCafs in UK. I'm active in developing new ESL resources and am part of the English Teaching and Outreach Forum committee.

Social Media & Website Manager

Katie Oliver

My role is to manage the social media platforms for 2:19, collating information from different sources to share online. I also manage the website and digital branding elements of 2:19's work. This includes monitoring, editing, adding resources and articles to our website. Once resources are created I look for opportunities for them to be rebranded for a wider reach.

Volunteer ESL Specialist

Rachel Thake

My role involves advising and supporting 2:19. This includes delivering bespoke training seminars and writing materials alongside the Materials and Resource Developer.

Materials & Resources Developer

Jonathan Norgate

My role involves commissioning, co-ordinating and writing new materials for churches to use in their ESL outreach ministries. This involves working with our 2:19 team, along with volunteers and designers to bring ideas to completion. In addition to this I help produce, edit and review material that we share through our membership scheme.

North Regional Rep

Daniel Whetham

In my role I support churches in setting up and running English classes. I research trends in ESOL, government policy, and movements of International people in the UK in order to consider how best to pray, prepare, and respond with English language provision in the love of Christ.

Administrator

Maintains the administrative infrastructure and procedures to support the 2:19 Team.
